

Letter of Authority

I/we have appointed Edge Electronics to advise on Energy Management Services. Edge Electronics is hereby authorised to request and obtain data in relation to attaining quotations from the necessary supply, transmission and distribution providers for the below listed company. I/we also give Edge Electronics permission to use our bill and 12 months' usage data to develop energy reduction proposals using the following information:

- 30 minute interval data kWhs and KVA for 12 months in the most recent period
- Monthly time of use summary data
- Current meter provider for each NMI
- Current Tariff, TNI, DLF and CMD information

Electricity suppliers shall not withhold any necessary information that will hinder Edge Electronics facilitating us with supply of 12 months interval data.

I/we agree that this Letter of Authority has been signed to comply with the Information Privacy Act. A copy of which is available at www.oaic.gov.au/privacy-law. Please print, sign, date and scan with a previous bill for each premises/meter to the relevant email address, this authority is valid for a 12month period from the signed date.
